SPRINKLES GELATO ALLERGY MENU - MAY 2021

Version: 21.1 **Issued: 05-05-2021**

Before placing your order, please inform us if anyone in your party has a food allergy. While we take steps to minimise the risk of cross-contamination, we cannot guarantee that any of our products are safe to consume for people with any allergies to the following ingredients: gluten, egg, milk, nuts, peanuts, sesame, soya and sulphites. All products are made in our kitchens which process products with ingredients that have the following allergens: gluten, egg, milk, nuts, peanuts, sesame, soya and sulphites. Whilst we take precautions to minimise the risk of cross-contamination we cannot guarantee that a product will not have come into contact with one of the allergens listed above. Sprinkles Gelato Ltd requests that all customers with allergies carefully consider their choices based on the information contained in this document.

Before placing your order, please inform us if anyone in your party has a food allergy. While we take steps to minimise the risk of cross-contamination, we cannot guarantee that any of our products are safe to consume for people with any allergies to the following ingredients: gluten, egg, milk, nuts, peanuts, sesame, soya and sulphites. All products are made in our kitchens which process products with ingredients that have the following allergens: gluten, egg, milk, nuts, peanuts, sesame, soya and sulphites. Whilst we take precautions to minimise the risk of cross-contamination we cannot guarantee that a product will not have come into contact with one of the allergens listed above. Sprinkles Gelato Ltd requests that all customers with allergies carefully consider their choices based on the information contained in this document.
